PAÇOS DE FERREIRA

An architectural rendering of a modern, multi-story building named Domus. The building features a light beige facade with prominent horizontal bands and dark-framed windows. A balcony with a black metal railing is visible on the upper floors. In the foreground, a dark grey SUV is parked on a paved area. Two people are walking on a sidewalk near the building. A small tree stands in a landscaped area with a stop sign nearby. The background shows a clear blue sky and a large tree with green leaves in the upper left corner.

DOMUS

An architectural rendering of a modern, multi-story building named Domus. The building features a light-colored, textured facade and a series of horizontal, dark-colored louvers or balconies on each floor. The building is set against a clear blue sky. In the foreground, there are green trees and foliage on the left side. The building has a dark, modern entrance area at the bottom right, with a glass door and a small interior view visible. The overall style is minimalist and contemporary.

DOMUS

The image is a high-contrast architectural rendering of a modern building's exterior. It features a mix of materials: raw, grey concrete with visible formwork patterns, and large, light-colored rectangular panels with a fine, organic texture. A balcony with a dark metal railing is visible on the upper level. The lighting creates deep shadows and bright highlights, emphasizing the geometric forms and material textures.
